Your safety is our priority

To assist you, we've put together this handy guide to reflect changes to our Meeting & Event experience, based on the latest government regulations.

Updated: August 2020

We will deliver Meetings & Events and Food & Beverage service in accordance with current New Zealand Government regulations.

Potential measures may vary from our current offering and include:

EVENT SPACES

If required, we can limit the number of delegates being held in our Ballroom in line with any government regulations

GUEST AMENITIES

To reduce the number of high touchpoints, conference pads, pens and water will be provided on an amenity & sanitiser station located in each room. There will be no items placed on conference table sets.

AUDIO VISUAL

Enabling virtual, hybrid meetings or multi-room broadcasting. Our on-site AV supplier, Vidcom, have enhanced their disinfecting of high-touch items such as microphones, laptops, touch screens etc.

STAGGERED BREAKS

Scheduled morning, afternoon and lunch break times to ensure staggered movement of conference delegates around the hotel and also for increased time for cleaning and disinfecting of dining spaces between each group.

RESTAURANTS

Restaurants, bars and cafés are open to cater as per normal with enhanced cleanliness standards in place.

BRIEFING

The Hotel team will provide a compulsory morning safety briefing on Day 1 of every event to advise on measures in place throughout the hotel and to answer any delegate queries.

CATERING

Food will be prepared to the highest food safety and hygiene standards and all food service team members are trained in the use of personal protective equipment. Sanitiser stations are conveniently located in all food service areas.
